### **Job Opportunity: Experienced Carpenter's Helper Wanted for Established Renovation Company**

Are you an experienced and reliable individual with a strong work ethic looking to advance your career in the carpentry / renovation industry? Our established renovation company is currently seeking a **Carpenter's Helper** to join our team! If you have hands-on experience in the trade, are skilled in assisting carpenters, and can work efficiently with minimal supervision, we'd love to hear from you!

### **Job Description:**

As an **Experienced Carpenter's Helper**, you will work closely with our skilled carpenters to assist with a variety of tasks across renovation projects. Your role will include performing key tasks that are essential to the success of the project, such as preparing materials, cutting, measuring, and assisting in the installation process. You will be expected to handle tasks independently and contribute to the smooth operation of our projects while maintaining a high standard of craftsmanship.

### **Key Responsibilities:**

- Assist carpenters with cutting, measuring, and assembling materials for renovation projects.
- Prepare work areas, organize tools, and manage materials to ensure an efficient workflow.
- Read and interpret measurements with precision, using tape measures and other tools.
- Cut and install materials according to specifications, ensuring high-quality workmanship.
- Follow instructions from carpenters and supervisors and contribute to problem-solving during the renovation process.
- Maintain a clean, organized, and safe work environment at all times.

## Requirements:

- **Experience:** At least 2-3 years of hands-on experience in the construction or renovation field.
- **Reliability:** Strong commitment to punctuality, dependability, and consistent attendance.
- **Transportation:** Must have reliable transportation to and from job sites.
- **Physical Stamina:** Ability to safely lift, carry, and handle materials and tools, and work long hours as needed.
- **Proficient with Tools:** Familiarity with basic hand tools and measuring instruments. Ability to use equipment efficiently with minimal guidance.
- **Attention to Detail:** Ability to read and interpret blueprints and measurements accurately.
- **Team Player:** Ability to work effectively in a team environment, assisting carpenters and following instructions with minimal supervision.
- **Safety-Conscious:** Commitment to maintaining a safe and organized job site.

## Why Join Us?

- **Career Development:** Gain valuable experience working with seasoned carpenters on a variety of challenging renovation projects.
- **Positive Work Environment:** Join a supportive and professional team that values your skills and contributions.
- **Opportunities for Advancement:** As your experience grows, there are opportunities to take on more advanced responsibilities and develop your skills further within the company.

## How to Apply:

If you're an experienced carpenter's helper with a strong work ethic and a commitment to quality, we encourage you to apply! Please submit your resume and include details about your relevant experience in the renovation industry. We look forward to welcoming a skilled and reliable team member to our growing company.
