- Assist with digging, site leveling, and other groundwork as required.
- Prepare and assist with the assembly of scaffolding, ladders, and other structures.

- Help with the installation of materials such as drywall, insulation, concrete, and flooring.
- Maintain equipment and tools, ensuring they are in good working condition.
- Perform other duties as assigned by the construction manager or supervisor.

**Requirements:**

- Previous experience in construction or general labor is preferred but not required.
- Ability to lift heavy objects (up to 50 lbs) and work in various weather conditions.
- Strong physical stamina and ability to work long hours when needed.
- Basic knowledge of construction tools and equipment.
- Good communication skills and the ability to work well in a team environment.
- Strong commitment to safety and following workplace safety regulations.
- Reliable and punctual with a strong work ethic.

**Benefits:**

- Competitive pay based on experience.
- Opportunities for career growth and advancement.
- On-the-job training and development.
- Health and safety training.

**How to Apply:** Please submit your resume and a brief cover letter outlining your qualifications and interest in the position to [office@silverkingconstruction.ca](mailto:office@silverkingconstruction.ca). We look forward to reviewing your application and potentially welcoming you to our team!
